

QUALICAPS to Exhibit at Interphex Week Tokyo 2025

We will exhibit at the 27th Interphex Week Tokyo, held from July 9 (Wed) to July 11 (Fri), 2025, at Tokyo Big Sight.

We invite you to visit our booth (West Hall : W14-86) to see our latest technologies and solutions.

◆ Exhibits

- **[New Product] Tablet UV Laser Printer – QUALIS-Pro**
Features a newly integrated visual inspection system and reduced number of replacement parts thanks to a belt conveyor system.
 - **Tablet Inkjet Printer – IMS-400i**
High throughput of 400,000 tablets/hour with enhanced ink efficiency and updated visual inspection functions.
 - **IoT System (Concept Display)**
Visualizes production equipment status with numerical data to support optimization through IoT-based efficiency improvements.
-

◆ e-Invitation Ticket (Free with pre-registration required)
